Subsidiary Legislation for the Period 1987-1996

Years	1987	1988	1989	1990	1991	1992	1993	1994	1995	1996
Total	96	94	204	134	149	125	54	70	47	73

* These tables have been compiled by the writer of this Paper.

Comment: There has not been an increase in the output of legislation produced in the last ten years. The volume of Principal Acts produced annually remains more or less consistent or slightly reduced over the past ten years. The volume of subsidiary legislation has been drastically reduced in the past four years.
